

**Material Safety Data Sheet****1. Product Identification and Company Identification****Product Name: Unscented Day Use No-Crack Hand Cream**

MSDS No DUM/6                      Effective Date 01 August 2002

Manufacturer: Dumont Company

700 Copeland Avenue

LaCrosse, Wisconsin 54603

Phone: (608) 784-3047

**2. Composition and Hazards**

Ingredient Name:	CAS Number:	Percent (W/W):	Hazard:
Lanolin	8006-54-0	<1	NA
Propylene glycol	57-55-6	7	NA
Mineral oil	8042-47-5	7	NA
Allantoin	97-59-6	<1	NA

Ingredients not listed are not hazardous.

**3.&4. Health Hazard Information and First Aid**

Inhalation: NO

Ingestion: NO

Skin: NO

Emergency First Aid Procedures: Eye Immediately flush with water for 15 minutes, holding eyes open. Oral: If conscious, rinse mouth with water. Contact Physician or Poison Control Center immediately. Skin: Wash with soap and water.

Medical Conditions Aggravated by Exposure: None Known

**5. Fire and Explosion Data**

Flash point (method): Not Established

Flammability limits: UEL%: NA LEL%: NA

Extinguishing Media: Water, Dry Chemical, Foam or CO<sub>2</sub>**6. Spill or Leak Information**

Spills and Leaks: Contain and collect product with inert absorbent.

**7. Special Protection Information**

Ventilation: Maintain adequate ventilation.  
Protective Clothing: Not needed  
Eye Protection: Not required for normal use.

**8. Handling and Storage**

Storage Requirements: No Special requirements

**9. Physical Data**

Appearance and Odor: Fragrant White Cream  
Boiling point: Not Established  
Melting point: Not Established  
Solubility in water: Not Established  
Vapor pressure: NA  
Vapor density: NA  
Specific gravity: NA  
pH: NA

**10. Reactivity Data**

Material is Stable. Hazardous polymerization will not occur.  
Incompatibility: Strong oxidizing agents  
Hazardous decomposition products: Incomplete thermal decomposition may produce carbon monoxide, carbon dioxide and unidentifiable products.

**11. Toxicological Information**

Specific toxicity tests have not been conducted on this product. Hazard information is based on information from the ingredients, technical literature and/or professional experience.  
None of the ingredients are known or suspect carcinogens by OSHA, NTP, or IARC.

**12. Ecological Information**

Birds: Not tested  
Aquatic: Not tested

**13. Disposal Considerations**

Waste Disposal Method: Observe all local, state and federal regulations.

**14. Transportation Information**

Not a US DOT hazardous substance

**15. Regulatory Information**

The ingredients are not hazardous under the standard of the Federal OSHA Hazard Communication Standard 29 CFR 1910.1200.

**16. Other Information**

None

This product material Safety Data Sheet provides health and safety information. The product is to be used in application consistent with our product literature. Individuals handling this product should be informed of the recommended safety precautions and should have access this information.
